Experience: Served on Finance, Buildings & Grounds and Rules & Regulations committees in a 55+ community in Norton, MA for the 10 years prior to moving to Hickory Woods. Served as a Director for two years on a Board with 4 other directors. I chaired the Finance committee for 1 year and as Secretary for another year.

I would like to be a Director for the start-up year of self government. I'm confident I can bring my previous experience as an officer in an over-55 condominium association to benefit the residents of Hickory Woods.

I also believe a Board of 5 Directors to be more desirable for optimum governance with annual elections of 2 members and 3 members alternating for 2 year terms.

In addition to the above I served 3yrs. as a Finance Committee member for the town of Norton, MA and another 3 yrs on its Board of Assessors.
